## **HDRF DONOR CIRCLES**

HDRF wishes to acknowledge and deeply thank those committed patrons who have supported our mission from the very beginning. It is their understanding and generosity which serve as inspiration for others who are becoming more aware of depression as a worldwide illness and the need for innovative research to help find a cure.

**HOPE FOR DEPRESSION**  
RESEARCH FOUNDATION

The mission of the Hope for Depression Research Foundation (HDRF) is to fund innovative, international scientific research into the origins, diagnosis, treatment and prevention of depression and its related mood and other emotional disorders – bipolar disorder, dysthymia, post-partum depression, post-traumatic stress syndrome, anxiety disorder and suicide – with the ultimate goal of finding a cure.

**Every dollar raised goes directly to research.**
