

Brooke Shields on Sarah Palin Postpartum Depres...

<http://www.buzzhollywood.com/121831/> [Select Link](#)

ETONLINE Actress [Brooke Shields](#) was honored for her work with depression advocacy at the Hope for Depression Research Foundation New York Seminar and Luncheon on Monday -- and we asked the star whether she thought former vice presidential candidate Sarah Palin may have suffered from postpartum depression while campaigning for office last year. ET raised the question to Shields (who battled her own postpartum depression after the birth of her daughter Rowan in 2003) after a Vanity Fair report last Au...
